CALIFORNIA BOARD OF BEHAVIORAL SCIENCES STATUTES AND REGULATIONS RELATING TO THE PRACTICE OF MARRIAGE AND FAMILY THERAPY

CHAPTER 13. MARRIAGE AND FAMILY THERAPISTS

ARTICLE 1. REGULATION

§4980. NECESSITY OF LICENSE

(a) (1) Many California families and many individual Californians are experiencing difficulty and distress, and are in need of wise, competent, caring, compassionate, and effective counseling in order to enable them to improve and maintain healthy family relationships.

(2) Healthy individuals and healthy families and healthy relationships are inherently beneficial and crucial to a healthy society, and are our most precious and valuable natural resource. Licensed marriage and family therapists provide a crucial support for the well-being of the people and the State of California.

(b) No person may engage in the practice of marriage and family therapy as defined by Section 4980.02, unless he or she holds a valid license as a marriage and family therapist, or unless he or she is specifically exempted from that requirement, nor may any person advertise himself or herself as performing the services of a marriage, family, child, domestic, or marital consultant, or in any way use these or any similar titles, including the letters “L.M.F.T.” “M.F.T.” or “M.F.C.C.,” or other name, word initial, or symbol in connection with or following his or her name to imply that he or she performs these services without a license as provided by this chapter. Persons licensed under Article 4 (commencing with Section 4996) of Chapter 14 of Division 2, or under Chapter 6.6 (commencing with Section 2900) may engage in such practice or advertise that they practice marriage and family therapy but may not advertise that they hold the marriage and family therapist’s license.

This practice includes relationship and pre-marriage counseling.

The application of marriage and family therapy principles and methods includes, but is not limited to, the use of applied psychotherapeutic techniques, to enable individuals to mature and grow within marriage and the family, the provision of explanations and interpretations of the psychosexual and psychosocial aspects of relationships, and the use, application, and integration of the coursework and training required by Sections 4980.36, 4980.37, and 4980.41.

§4980.50. EXAMINATION; ISSUANCE OF LICENSE; EXAMINATION RECORD RETENTION;
SEVEN YEAR LIMITATION ON WRITTEN EXAMINATION
(a) Every applicant who meets the educational and experience requirements and applies for a license as a marriage and family therapist shall be examined by the board. The examinations shall be as set forth in subdivision (d) of Section 4980.40. The examinations shall be given at least twice a year at a time and place and under supervision as the board may determine. The board shall examine the candidate with regard to his or her knowledge and professional skills and his or her judgment in the utilization of appropriate techniques and methods.
(b) The board shall not deny any applicant, who has submitted a complete application for examination, admission to the licensure examinations required by this section if the applicant meets the educational and experience requirements of this chapter, and has not committed any acts or engaged in any conduct that would constitute grounds to deny licensure.
(c) The board shall not deny any applicant, whose application for licensure is complete, admission to the standard written examination, nor shall the board postpone or delay any applicant's standard written examination or delay informing the candidate of the results of the standard written examination, solely upon the receipt by the board of a complaint alleging acts or conduct that would constitute grounds to deny licensure.
(d) If an applicant for examination who has passed the California law and ethics examination is the subject of a complaint or is under board investigation for acts or conduct that, if proven to be true, would constitute grounds for the board to deny licensure, the board shall permit the applicant to take the clinical examination for licensure, but may withhold the results of the examination or notify the applicant that licensure will not be granted pending completion of the investigation.

(e) Notwithstanding Section 135, the board may deny any applicant who has previously failed either the California law and ethics examination or the clinical examination permission to retake either examination pending completion of the investigation of any complaints against the applicant. Nothing in this section shall prohibit the board from denying an applicant admission to any examination, withholding the results, or refusing to issue a license to any applicant when an accusation or statement of issues has been filed against the applicant pursuant to Sections 11503 and 11504 of the Government Code, respectively, or the applicant has been denied in accordance with subdivision (b) of Section 485.

(f) Notwithstanding any other provision of law, the board may destroy all examination materials two years following the date of an examination.

(g) An applicant for licensure shall not be eligible to participate in the clinical examination if he or she fails to obtain a passing score on the clinical examination within seven years from his or her initial attempt, unless he or she takes and obtains a passing score on the current version of the California law and ethics examination.

(h) A passing score on the clinical examination shall be accepted by the board for a period of seven years from the date the examination was taken.

(i) An applicant who has qualified pursuant to this chapter shall be issued a license as a marriage and family therapist in the form that the board may deem appropriate.

§4980.54. CONTINUING EDUCATION

(a) The Legislature recognizes that the education and experience requirements in this chapter constitute only minimal requirements to ensure that an applicant is prepared and qualified to take the licensure examinations as specified in subdivision (d) of Section 4980.40 and, if he or she passes those examinations, to begin practice.

(b) In order to continuously improve the competence of licensed marriage and family therapists and as a model for all psychotherapeutic professions, the Legislature encourages all licensees to regularly engage in continuing education related to the profession or scope of practice as defined in this chapter.

(c) Except as provided in subdivision (e), the board shall not renew any license pursuant to this chapter unless the applicant certifies to the board, on a form prescribed by the board, that he or she has completed not less than 36 hours of approved continuing education in or relevant to the field of marriage and family therapy in the preceding two years, as determined by the board.

(d) The board shall have the right to audit the records of any applicant to verify the completion of the continuing education requirement. Applicants shall maintain records of completion of required continuing education coursework for a minimum of two years and shall make these records available to the board for auditing purposes upon request.

(e) The board may establish exceptions from the continuing education requirements of this section for good cause, as defined by the board.

(f) The continuing education shall be obtained from one of the following sources:

(1) An accredited school or state-approved school that meets the requirements set forth in Section 4980.36 or 4980.47. Nothing in this paragraph shall be construed as requiring coursework to be offered as part of a regular degree program.

(2) Other continuing education providers, as specified by the board by regulation.

(g) The board shall establish, by regulation, a procedure for identifying acceptable providers of continuing education courses, and all providers of continuing education, as described in paragraphs (1) and (2) of subdivision (f), shall adhere to procedures established by the board. The board may revoke or deny the right of a provider to offer continuing education coursework pursuant to this section for failure to comply with the requirements of this section or any regulation adopted pursuant to this section.

(h) Training, education, and coursework by approved providers shall incorporate one or more of the following:

(1) Aspects of the discipline that are fundamental to the understanding or the practice of marriage and family therapy.

(2) Aspects of the discipline of marriage and family therapy in which significant recent developments have occurred.

(3) Aspects of other disciplines that enhance the understanding or the practice of marriage and family therapy.

(i) A system of continuing education for licensed marriage and family therapists shall include courses directly related to the diagnosis, assessment, and treatment of the client population being served.

(j) The board shall, by regulation, fund the administration of this section through continuing education provider fees to be deposited in the Behavioral Sciences Fund. The fees related to the administration of this section shall be sufficient to meet, but shall not exceed, the costs of administering the corresponding provisions of this section. For purposes of this subdivision, a provider of continuing education as described in paragraph (1) of subdivision (f) shall be deemed to be an approved provider.

(k) The continuing education requirements of this section shall comply fully with the guidelines for mandatory continuing education established by the Department of Consumer Affairs pursuant to Section 166.

§4980.55. DISCLOSURE OF COUNSELOR’S QUALIFICATIONS

As a model for all therapeutic professions, and to acknowledge respect and regard for the consuming public, all licensed marriage and family therapists are encouraged to provide to each client, at an appropriate time and within the context of the psychotherapeutic relationship, an accurate and informative statement of the therapist’s experience, education, specialties, professional orientation, and any other information deemed appropriate by the licensee.
§4980.57. CONTINUING EDUCATION FOR SPOUSAL OR PARTNER ABUSE
(a) The board shall require a licensee who began graduate study prior to January 1, 2004, to take a continuing education course during his or her first renewal period after the operative date of this section in spousal or partner abuse assessment, detection, and intervention strategies, including community resources, cultural factors, and same gender abuse dynamics. On and after January 1, 2005, the course shall consist of not less than seven hours of training. Equivalent courses in spousal or partner abuse assessment, detection, and intervention strategies taken prior to the operative date of this section or proof of equivalent teaching or practice experience may be submitted to the board and at its discretion, may be accepted in satisfaction of this requirement.
(b) Continuing education courses taken pursuant to this section shall be applied to the 36 hours of approved continuing education required under subdivision (c) of Section 4980.54.

§4980.60. RULES AND REGULATIONS
(a) The board may adopt those rules and regulations as may be necessary to enable it to carry into effect the provisions of this chapter. The adoption, amendment, or repeal of those rules and regulations shall be made in accordance with Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code.
(b) The board may, by rules or regulations, adopt, amend, or repeal rules of advertising and professional conduct appropriate to the establishment and maintenance of a high standard of integrity in the profession, provided that the rules or regulations are not inconsistent with Section 4982. Every person who holds a license to practice marriage and family therapy shall be governed by the rules of professional conduct.

(a) This section applies to persons who are licensed outside of California and apply for licensure on or after January 1, 2016.
(b) The board may issue a license to a person who, at the time of submitting an application for a license pursuant to this chapter, holds a valid license in good standing issued by a board of marriage counselor examiners, board of marriage and family therapists, or corresponding authority, of any state or country, if all of the following conditions are satisfied:

   (2) The applicant complies with Section 4980.76, if applicable.
   (3) (A) The applicant's supervised experience is substantially equivalent to that required for a license under this chapter.
      (B) For persons who have held their license for less than four years immediately preceding the date of application, the board shall determine substantial equivalency by considering hours of experience obtained outside of California during the six-year period immediately preceding the date the applicant initially obtained the license described above. If the applicant has less than 3,000 hours of qualifying supervised experience, time actively licensed in the equivalent profession shall be accepted at a rate of 100 hours per month, up to a maximum of 1,200 hours, if the applicant's degree meets the practicum requirement described in subparagraph (C) of paragraph (1) of subdivision (b) of Section 4980.79 without exemptions or remediation.
   (4) The applicant passes the California law and ethics examination.
   (5) The applicant passes a clinical examination designated by the board. An applicant who obtained his or her license or registration under another jurisdiction may apply for licensure with the board without taking the clinical examination if both of the following conditions are met:
      (A) The applicant obtained a passing score on the clinical licensing examination set forth in regulation as accepted by the board.
      (B) The applicant's license or registration in that jurisdiction is active, in good standing at the time of his or her application, and is not revoked, suspended, surrendered, denied, or otherwise restricted or encumbered.

The applicant's degree title need not be identical to that required by Section 4980.36 or 4980.37.

(a) The conviction of a crime substantially related to the qualifications, functions, or duties of a licensee or registrant under this chapter. The record of conviction shall be conclusive evidence only of the fact that the conviction occurred. The board may inquire into the circumstances surrounding the commission of the crime in order to fix the degree of discipline or to determine if the conviction is substantially related to the qualifications, functions, or duties of a licensee or registrant under this chapter. A plea or verdict of guilty or a conviction following a plea of nolo contendere made to a charge substantially related to the qualifications, functions, or duties of a licensee or registrant under this chapter shall be deemed to be a conviction within the meaning of this section. The board may order any license or registration suspended or revoked, or may decline to issue a license or registration when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal, or, when an order granting probation is made suspending the imposition of sentence, irrespective of a subsequent order under Section 1203.4 of the Penal Code allowing the person to withdraw a plea of guilty and enter a plea of not guilty, or setting aside the verdict of guilty, or dismissing the accusation, information, or indictment.

(b) Securing a license or registration by fraud, deceit, or misrepresentation on any application for licensure or registration submitted to the board, whether engaged in by an applicant for a license or registration, or by a licensee in support of any application for licensure or registration.

The board shall deny an application for a registration or license or revoke the license or registration of any person, other than one who is licensed as a physician and surgeon, who uses or offers to use drugs in the course of performing marriage and family therapy services.

(o) Paying, accepting, or soliciting any consideration, compensation, or remuneration, whether monetary or otherwise, for the referral of professional clients. All consideration, compensation, or remuneration shall be in relation to professional counseling services actually provided by the licensee. Nothing in this subdivision shall prevent collaboration among two or more licensees in a case or cases. However, no fee shall be charged for that collaboration, except when disclosure of the fee has been made in compliance with subdivision (n).

(p) Advertising in a manner that is false, fraudulent, misleading, or deceptive, as defined in Section 651.

An act described in this subdivision occurring prior to the effective date of this subdivision shall constitute unprofessional conduct and shall subject the licensee to refusal, suspension, or revocation of a license under this section.

(2) The Legislature hereby finds and declares that protection of the public, and in particular minors, from sexual misconduct by a licensee is a compelling governmental interest, and that the ability to suspend or revoke a license for sexual conduct with a minor occurring prior to the effective date of this section is equally important to protecting the public as is the ability to refuse a license for sexual conduct with a minor occurring prior to the effective date of this section.

(2) The Legislature hereby finds and declares that protection of the public, and in particular minors, from sexual misconduct by a licensee is a compelling governmental interest, and that the ability to suspend or revoke a license for sexual conduct with a minor occurring prior to the effective date of this section is equally important to protecting the public as is the ability to refuse a license for sexual conduct with a minor occurring prior to the effective date of this section.

(c) The limitation provided for by subdivision (a) shall be tolled for the length of time required to obtain compliance when a report required to be filed by the licensee or registrant with the board pursuant to Article 11 (commencing with Section 800) of Chapter 1 is not filed in a timely fashion.

(d) If an alleged act or omission involves a minor, the seven-year limitations period provided for by subdivision (a) and the 10-year limitations period provided for by subdivision (e) shall be tolled until the minor reaches the age of majority.

(e) An accusation filed against a licensee pursuant to Section 11503 of the Government Code alleging sexual misconduct shall be filed within three years after the board discovers the act or omission alleged as the grounds for disciplinary action, or within 10 years after the act or omission alleged as the grounds for disciplinary action occurs, whichever occurs first. This subdivision shall apply to a complaint alleging sexual misconduct received by the board on and after January 1, 2002.

(f) The limitations period provided by subdivision (a) shall be tolled during any period if material evidence necessary for prosecuting or determining whether a disciplinary action would be appropriate is unavailable to the board due to an ongoing criminal investigation.

The procedures set forth in Article 12.5 (commencing with Section 820) of Chapter 1 shall apply to any denial of a license or registration pursuant to this section.
§4982.15. PLACING OF LICENSE OR REGISTRATION ON PROBATION; CIRCUMSTANCES  
(a) The board may place a license or registration on probation under the following circumstances:

(3) As a condition upon the reissuance or reinstatement of any license that has been suspended or revoked by the board.
(b) The board may adopt regulations establishing a monitoring program to ensure compliance with any terms or conditions of probation imposed by the board pursuant to subdivision (a). The cost of probation or monitoring may be ordered to be paid by the licensee, registrant, or applicant.
(c) The board, in its discretion, may require any licensee or registrant who has been placed on probation, or whose license or registration has been suspended, to obtain additional professional training, and to pass an examination upon completion of that training, and to pay any necessary examination fee. The examination may be written, oral, or a practical or clinical examination.

(a) Denial of licensure, revocation, suspension, restriction, or any other disciplinary action imposed by another state or territory or possession of the United States, or by any other governmental agency, on a license, certificate, or registration to practice marriage and family therapy, or any other healing art, shall constitute unprofessional conduct. A certified copy of the disciplinary action decision or judgment shall be conclusive evidence of that action.
(b) Revocation, suspension, or restriction by the board of a license, certificate, or registration to practice as a clinical social worker, professional clinical counselor, or educational psychologist shall also constitute grounds for disciplinary action for unprofessional conduct against the licensee or registrant under this chapter.
